# Production technician (full-time)

## ABOUT US

"Gwangcheon Nori" is the leading producer of Korean seaweed and snacks in Europe. Established in Lithuania in 2020, the company is rapidly growing and is one of the leading suppliers in Europe, exporting products to 22 countries. The company also has branches in South Korea, the USA and China.

This is the place for you if you are looking for a stable job, a supportive team and professional development!

## RESPONSIBILITIES

- Ensuring the production process: preparing and maintaining production equipment.
- Ensure that orders are placed on time.
- Carry out maintenance of equipment before production starts.
- To control the products' quality, ensure they comply with the specifications.
- Solve questions and problems arising from the production process.
- Ensure compliance with safety procedures.
- Train new employees working on production equipment.
- To work with the team to improve production processes.

## WE WILL BE A GREAT TEAM IF:

- You have a technical background. High School education is mandatory.
- Experience with production equipment.
- Fluent communication skills in Lithuanian. Knowledge of English is an advantage.
- Good knowledge of technical drawings and schematics.
- Focus on quality assurance.
- You desire to develop yourself and would like to work with foreign markets.
- You are a team player – you like to communicate, delegate tasks and present processes.
- You are motivated by dynamic work and achieving goals.
- You can flexibly accommodate paid overtime when needed.

## WE OFFER

- **Convenient working hours.** We care about work-life balance, so there are no shifts and all weekends are for you to relax. Working hours are from 7.30 am to 4 pm.
- **Opportunities for development** with the European market and annual trips to international food exhibitions. We also offer additional training to improve your skills.
- **A supportive team.** Regardless of the position, experience a flat organisational structure, approachable managers, and colleagues working towards common goals. We're here to lend a helping hand whenever you need it.
- **A good atmosphere,** which we create during regular team meetings or celebrations.
- **Career pathways.** With plans to double our growth over the coming years, you have abundant opportunities to contribute to shaping the Lithuanian branch and grow within the company.

## SALARY

1502–2096 eur/month (Gross). The final remuneration offer will depend on your experience.
